Coaches Corner	<p>Coach Hundley is preparing the budget for the 2010 season. At present, the coach projects he will need \$67,000. This is an increase from last year, partly due to decreased gate revenues. Because of this, the athletic department will have minimal funds available for football purchases, requiring additional funding from the KOC.</p> <p>Coach Hundley cautioned parents to research the recruiting services they may choose to use and to weigh the value of the service versus the cost to the family. Recruiting services may offer valuable information to parents and can assist in matching an athlete to a college, however, the majority of colleges polled by the coach do not use these services for recruiting purposes. Athletes most often gain the attention of college recruiters by attending one day camps and game film. The benefit of camps is reduced, however, when an athlete attends too many consecutive camps and is too exhausted to perform at his potential.</p>	
Old Business	Incoming Freshman Parents Contact List- Mark B attended the GMS banquet and received a few names and email contacts for incoming freshman.	Coach Hundley will be contacting prospective players in the next 2 months for additional names and contact information.
