

KOC Meeting Mon Apr 28
F 104 7:00

This meeting was called to order at 7:05 by President Mark Rosenbaum.

Topic	Discussion Highlights/Decisions	Action Items
Meeting Minutes	Minutes from 3/31 were modified slightly re: the language surrounding the field drainage issue. Minutes were approved with no other modifications.	Lori H will send minutes to Josh Gallagan to post on the web site.
Treasurer's report (Mark B)	<p>Not a lot of activity from the last meeting. Mark has a copy of the budget for anyone to view; it will also be posted on the web site before the May meeting. We are still aiming to raise \$70,000 for the season. Good news -- money is starting to come in from the youth camp.</p> <p>Bad news -- approx. \$900+ in reimbursable receipts from past president Rick Kovatch.</p> <p>Practice field drainage costs -- \$11,000 for both fields from first bid. Another quote is expected. DJHS does not have any \$\$ budgeted for this expense so the boosters would be responsible for the entire cost. Coach Hundley is adjusting the "wants" (nice-to-have items) from his 2008 budget to allow for this expense. Coach Hundley feels both fields must be dealt with this season. Therefore we may not end up with \$20,000 after the season is over as there has been in past years because of the "exceptional" expenses (drainage, new uniforms). Mark R pledges to support Coach Hundley's recommendation for this season's expenditures. If necessary, we may need to do another fundraiser to reach our goal of \$70,000.</p>	Mark will adjust the budget to take care of both fields (by deleting computer hardware cost, for example) to allow for the field drainage cost.
